

These are the only David Getoff Approved breads currently available I do not eat them, this is only for those whose will power is so bad that you simply cannot avoid consuming foods that your body is better off without You can also make the "Sandwich Bread" from the almond flour cookbook

### **Purity Bread (Net 2 Carbs) - \$6.99**

Please note: This is the first whole grain, complete protein bread on the market that is gluten free, wheat free, sugar free, low calorie, low carb and yeast free, with 13 different sprouted beans. It is moist inside and chewy on the outside, made in a gluten free environment. This bread is not crumbly.

### **Bean Bread Gluten Free - \$6.50**

This bread is gluten free and sweetened with honey and yeast risen. It is very high in protein and fiber and tastes really good. 1 lb., Unsliced Round

Add to Cart

### **Smart Carb GF #3 (Gluten Free)(3 Net Carbs)**

everyone with 10g of protein, 7g of fiber, and just 73 Calories and 3 Net Carbs per slice. Smart Carb GF #3 is yeast and gluten-free, dairy-free, and sugar-free. This bread makes great gluten free sandwiches! (1.75LBS Sliced Loaf)
